"If you really understood the Qur'an you would know that the Qur'an makes you universal. It makes you a defender of the highest and most precious ideas and principles of man (mind)." - Imam W. Deen Mohammed (raa)

During the holy month of Ramadan Muslims dedicate more time to studying the Qur'an for enlightenment and guidance; this year will be no different.

The Speakers are asked to identify one or more of the following **topics** from the required 1/30 daily reading, provide explanation that includes the contemporary understanding and commentary of Imam W. Deen Mohammed (raa).

TOPICS: **Dua/Signs:** symbols and metaphors

Vocabulary: English and Arabic meanings

Theme: stories, lessons, and historical occurrences

The Callers are asked to come prepared each morning with a composition book sectioned by **topics**. When the Speaker provides explanation on the **topic**, the Caller will use the composition book to write notes in the proper sections.

Ramadan 2017, we will have a rich collection of Qur'anic knowledge that we can continue to build upon throughout the rest of the year - to use in our everyday life, insha-Allah. We want this Ramadan to be engaging, thought-provoking and to support a conscious intended purpose; to G-d is the goal!
